

## TASTING SHEET - CABERNET SAUVIGNON

Common descriptors for Cabernet Sauvignon include blackcurrant/cassis; blackberry; mulberry; plummy; violets; chocolate; coffee; leafy; minty; herbaceous; capsicum; eucalypt; stinky; tobacco; prunes; earthy; cedar; spice; leather

Warmer regions or fully ripened fruit are associated with plummy, blackberry, primary fruit flavours

Cooler regions with less ripe fruit produce herbaceous, capsicum, minty and green stinky flavours

Older Cabernet is associated with leathery, tobacco, prune flavours

Cabernet often has a hollow mid palate which is often overcome by blending with Merlot, Shiraz, Malbec, etc
